Please note that each matter is fact and complexity specific and the following information is only an indication of our likely (fixed) fees in a matter. We reserve the right to increase these fees should the transaction become more protracted or complex than was envisaged at the start of the transaction whereupon we will revert to our hourly rates of £300.00 per hour.

Purchase/Sale of a Freehold Residential Property

Our fees for purchases and sales of a Freehold Residential Property are set out below. Our fees cover all the work required to complete the purchase and/or sale of your home, including dealing with registration at the Land Registry and payment of Stamp Duty Land Tax (Stamp Duty) if the property is in England or a Land Transaction Tax (Land Tax) if the property is in Wales.

Disbursements

Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. Potential additional costs include properties with overage conditions, private lenders or matters where complexity could not have been foreseen at the start of the transaction. The following disbursements are likely to be incurred: -

- Search Fees - £350.00 (approximately) dependent upon whether further non-standard searches are required)
- VAT payable – dependent upon which searches attach VAT (if any) and our legal fees
- H.M. Land Registry Fee – dependent upon the purchase price on Land Registry fee scale.
- Electronic money transfer Fee - £30 (plus VAT)

Stamp Duty Land Tax (Stamp Duty)

This depends on the purchase price of your property. You can calculate the amount you will need to pay by using HMRC's website (address - <https://www.tax.service.gov.uk/calculate-stamp-duty-land-tax>) or if the property is located in Wales by using the Welsh Revenue Authority's website (address - <https://ltcalculator.wra.gov.wales>).

How long will my house purchase take?

How long it will take from your offer being accepted until you can move into your house will depend on a number of factors. The average process takes between 4-6 weeks approximately, depending on the complexity and the nature of the transaction.

It can be quicker or slower, depending on the parties in the chain. For example, if you are a first-time buyer, purchasing a new build property with a mortgage in principle, it could take 4 weeks and completion could be on notice i.e., when the property to be built is complete. However, if you are buying a leasehold property that requires an extension of the Lease, this can take significantly longer, between 2-4 months. In such a situation additional charges would apply.

Stages of the Process

The precise stages involved in the purchase/sale of a residential property vary according to the circumstances. The key stages of a purchase/sale transaction are as follows: -

- Take your instructions
- Check finances are in place to fund purchase and contact lender's solicitors if needed.
- Receive and advise on Contract documents
- Carry out searches
- Obtain further Planning documentation if required
- Make any necessary enquiries of the Sellers' Solicitors
- Give you advice on all documents and information received
- Go through conditions of the Mortgage Offer with you
- Send final Contract to you for signature
- Agree completion date (date from which you own the property)
- Exchange Contracts and notify you that this has happened
- Arrange for all monies needed to be received from Lender and you

- Complete the purchase
- Deal with payment of Stamp Duty Land Tax
- Deal with the application for registration at the Land Registry.
